

**Amendments to the Claims:**

This listing of the claims will replace all prior versions and listings of claims in the application.

**Listing of the Claims**

1. (Currently amended) A method for powderizing a hydrophobic non-saccharide ingredient(s) in a liquid or paste form, comprising:

(A) processing said hydrophobic non-saccharide ingredient(s) into a liquid or paste form by adding alcohol or organic solvent;

(B) mixing said hydrophobic non-saccharide ingredient(s) with a saccharide derivative(s) of  $\alpha,\alpha$ -trehalose having a trehalose structure as an end unit and a glucose polymerization degree of three or higher; and

(C) powderizing the resulting mixture;

wherein said saccharide derivative of  $\alpha,\alpha$ -trehalose comprises 30 w/w % or more of  $\alpha$ -maltosyl  $\alpha,\alpha$ -trehalose and one or more other saccharides selected from the group consisting of  $\alpha$ -glucosyl  $\alpha,\alpha$ -trehalose,  $\alpha$ -maltotriosyl  $\alpha,\alpha$ -trehalose and ~~ether~~- $\alpha$ -glycosyl  $\alpha,\alpha$ -trehalose(s) as other components, and which saccharide derivative of  $\alpha,\alpha$ -trehalose is in an amorphous form.

2 (Cancelled).

3. (Previously presented) The method of claim 1, wherein said hydrophobic non-saccharide ingredient(s) is one selected from the group consisting of processed stockbreedings, processed marine products, processed agricultural products, flavors, colorings, lipids, and functional substances.

4-7 (Cancelled).

8. (Previous previously) The method of claim 1, wherein the amount of said saccharide derivative of  $\alpha, \alpha$ -trehalose mixed with said hydrophobic non-saccharide ingredient(s) is 5% (w/w) or more to the total weight of the resulting mixture, on a dry solid basis.

9. (Previously presented) The method of claim 1, wherein said method for powderizing is a spray-drying method.

10-11 (Cancelled).

12. (Previously presented) A powdery composition comprising a hydrophobic non-saccharide ingredient(s) produced by the method of claim 1.

13-14 (Cancelled).

Appln. No. 10/550,486  
Amdt. dated October 27, 2010  
Reply to Office Action of July 27, 2010

15. (Previously presented) The powdery composition of claim 12, which is one selected from the group consisting of foods, beverages, cosmetics, medicated cosmetics, pharmaceuticals, and industrial chemicals, their materials and intermediates.
